RE: Submittal of Desired Future Conditions for Groundwater Management Area (GMA) 12

Dear Sir/Madam,

We are pleased to submit the enclosed Desired Future Conditions Explanatory Report on behalf of the districts of Groundwater Management Area (GMA) 12. This submittal is within 60 days of the final adoption of desired future conditions in GMA 12 during a meeting held on May 25, 2017. As required, this submission packet contains the following materials:

- 1) A copy of the Explanatory Report (and appendices).
- 2) A copy of the signed resolution from the groundwater conservation districts within GMA 12, adopting the desired future conditions.
- 3) A copy of the notices posted by each groundwater conservation district in GMA 12 for the joint planning meeting held on May 25, 2017, during which the districts collectively adopted the desired future conditions.
- 4) A copy of the groundwater availability model files used in developing the adopted desired future conditions (electronic copy only).

The designated representative of the groundwater management area for TWDB staff to contact as necessary is Gary Westbrook, General Manager of Post Oak Savannah Groundwater Conservation District, 310 East Avenue C, Milano, Texas 76556, admin@posgcd.org (email), 512-455-9900 (phone).

Sincerely,

Gary Westbrook
General Manager
