

STATE FLOOD ASSESSMENT HOUSTON-GALVESTON WORKSHOP

- WHO:** Floodplain administrators and others with flood-related responsibilities
WHAT: Houston-Galveston Flood Assessment Workshop
WHERE: Harris County Flood Control District Michael Talbott Service Center, 7522 Prairie Oak Drive, Houston, TX 77086
WHEN: Friday, April 20th, 10:00 a.m. to 12:00 p.m.
WHY: Stakeholder participation is critical to the success of this effort

Three goals drive the effort to create the first State Flood Assessment, a forthcoming report by the Texas Water Development Board:

1. assess risks and roles;
2. estimate flood mitigation costs; and
3. determine the future of flood planning in Texas.

The workshop agenda will include:

- opening remarks;
- an overview of the flood assessment timeline and highlights of early survey results; and
- workstations to gather feedback and engage floodplain administrators on the topics of flood risk assessment, flood mitigation, and the future of flood planning in Texas.

To RSVP go to:

www.texasfloodassessment.com/calendar/

Park in visitor lot outside of building.

A parking attendant will be onsite to direct workshop attendees to available areas.
